Providing emotional support and help with any concerns you may have about newborn care needs, I offer packages starting at 16 hours to be used within six weeks of your birth. Nurturing Touch Services

Home page 2019 - Touch For Birth

Avoid tickling your baby, however, which might irritate him or her. As your baby grows, use a firmer touch. Slowly stroke and knead each part of your baby's body. You might start by placing your baby on his or her stomach and spending two minutes each holding different areas, including your baby's head, neck, shoulders, upper back, waist, hips...
