HKU Careers - Career Opportunities
Abstract. Background: Career development skills are widely advocated as part of research capacity building and strengthening efforts. However, there is a gap in knowledge on their acceptability in low- and middle-income countries. Objective: This study aimed to examine how a group of 16 early-career researchers in sub-Saharan Africa experienced a career development skills course and how they ...

Building Career Development Skills for Researchers: A ...
The research itself is usually funded by the university or college in question. Sometimes though, funding can be provided by external sources who may be commissioning the research for their own purposes. What do I need to get into academic research? In any career where research is prominent, you really have to have a certain way of thinking.
